# PERFIL DEL PROFESOR

## Flexible

Able to adapt what they are doing in light of new circumstances, whether in their classroom or when faced with changes that require revising their way of teaching or assessing learning processes.

Always alert to new possibilities that can improve the learning of their students.

## Innovative

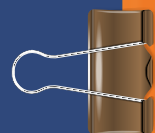

## Proactive

Capable of anticipating future events when planning their work and acting in a timely manner to resolve any difficulties that may arise.

Demonstrates the collaboration skills we expect from our students when working with peers. Leads by example.

## Collaborative

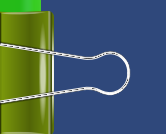

## Committed

Is diligent in their performance and demonstrates through their actions that well-done work is a high priority.

Communicates in a clear and respectful manner instilling a sense of reliability in others.

## Good Communicator

## Reflectively Critical

Models in their classes what we expect from our students, which includes an openness to different viewpoints and the ability to present arguments that explain their preferences.
